WHERE TO START

Your car's campus life begins with the Parking Services Office, located at 204 Brackenridge Hall. We're your primary resource for all parking-related matters on campus, and we also can help with other transportation issues. Stop in, call us at 412-624-4034, or check our Web site, www.pts.pitt.edu/parking, for schedules, fees, and information on shuttle services, van call, and our free bicycle registration program.

The Parking Services Office is open Monday through Thursday, 8 a.m. to 5:30 p.m., and on Friday from 8 a.m. to 5 p.m. At the beginning of the fall and spring terms, we extend our hours, and hours also change during the summer term.

WHO ARE YOU?

Deciding what kind of permit you need is as easy as figuring out your enrollment status at Pitt. Depending on when you're on campus, chances are we have a permit that meets your needs.

Resident students: If you are a full-time student living in a University residence hall operated through the Department of Housing Services, resident parking is available in the LT, FB, PH, OC, Y, and U parking facilities (subject to change). Available spaces are limited, so the Parking Services Office distributes these permits via a lottery system based on dorm assignment. Resident student permits follow the same academic terms as housing contracts or leases. Additionally, these permits are valid in nonrestricted University lots weekdays between 5 p.m. and midnight and on weekends, except during special events.

Commuter students: If you are a commuter student, your options include daytime parking permits, hourly parking, and daily parking. Daytime commuter parking permits are available for BS, OC, TV, and UDA lots (subject to change). As with the resident permits, availability is limited, and commuter permits are available by the academic term. They are not valid for overnight parking in any campus lots. Additionally, these permits are valid in nonrestricted University lots weekdays between 5 p.m. and midnight and on weekends, except during special events.

Other parking opportunities are available throughout Oakland, and you also can choose from several driving alternatives, including carpool matching, Port Authority buses, and Pitt shuttles. You can find additional public parking information online at www.pts.pitt.edu/parking/visitor.html, www.pittsburghparking.com, or www.otma-pgh.org/srv/parking.asp. Another option is to keep your bike on campus. Information about on-campus bike registration can be found at www.pts.pitt.edu/Rideshar/bicreg.htm.

What if your lot is impacted, feel free to call us.

OTHER OPPORTUNITIES

Other parking opportunities are available throughout Oakland, and you also can choose from several driving alternatives, including carpool matching, Port Authority buses, and Pitt shuttles. You can find additional public parking information online at www.pts.pitt.edu/parking/visitor.html, www.pittsburghparking.com, or www.otma-pgh.org/srv/parking.asp. Another option is to keep your bike on campus. Information about on-campus bike registration can be found at www.pts.pitt.edu/Rideshar/bicreg.htm.

Helpful Hint
Short-term parking is available at meters in the Sutherland Hall Visitors lot and the RA, PS, SQ, Log Cabin, BG, and SN lots. Your permit is not valid at these meters—and don’t feed them beyond the maximum time, or your vehicle may be ticketed, towed, and/or booted.

WHAT’S THE PROCESS?
Resident students: You will receive a permit application in the mail along with your housing assignment. Completed applications and a copy of your vehicle registration card can be faxed or mailed to the Parking Services Office. You will be notified via mail if you are to receive a permit along with additional instructions regarding payment and pickup of the permit.

Commuter students: Based upon availability, you can obtain a permit by going to the Parking Services Office approximately two weeks prior to the start of classes. Be sure to bring a copy of your vehicle registration card and a form of payment. The Parking Services Office accepts cash, check, Visa, MasterCard, Discover, and Panther Funds.

Evening students: You may purchase a permit at any time during the year in person, by mail, or by calling the Parking Services Office. To purchase in person or by mail, simply bring or send a copy of your vehicle registration card and form of payment to the Parking Services Office, 204 Brackenridge Hall, Pittsburgh, PA 15260-4924. We accept cash, check, Visa, MasterCard, Discover, and Panther Funds.

Evening students: You may purchase a permit at any time during the year in person, by mail, or by calling the Parking Services Office. To purchase in person or by mail, simply bring or send a copy of your vehicle registration card and form of payment to the Parking Services Office, 204 Brackenridge Hall, Pittsburgh, PA 15260-4924. We accept cash, check, Visa, MasterCard, Discover, and Panther Funds.

BUT JUST IN CASE . . .
If something goes wrong, the Parking Services Office is still your first stop. You may pay parking fines in person during our established office hours or mail your payment to us. Either way, it’s due within 10 days from the date the citation was issued.

Fines not paid within 90 business days will be forwarded to the Student Business Services, which may place a hold on your account. If you need help or other information on filing an appeal, call us at 412-624-8899. In all cases, your appeal must be received within 10 days from the date on which the citation was issued in order for it to be considered. If you do not appeal it within 10 days, your account will be placed on hold until payment is received. If you need to pay by mail, please pay the parking fine in addition to the penalty fee and appeal.

J U S T  D O N ’ T  D O  I T
We do our best to ensure that you have a parking space when you need one. In order to accomplish this goal, we sometimes have to penalize those who don’t follow the rules. You are subject to

- Buy or borrow a permit from someone other than the Parking Services Office;
- Use unauthorized University lots—please check the map at the right for details;
- Impede access or traffic;
- Park in violation of special event procedures;
- Fail to pay parking violations;
- Use an invalid permit or keycard;
- Display a permit that has been canceled, altered, defaced, or reported as missing (which also may result in a fine); or
- Use your permit at the wrong time.

Towing is at our discretion, but the responsibility for towing and storage charges is yours (or the vehicle owner’s).

LOT AVAILABILITY

Resident Student Parking
- Forbes Hall (C-4)
- Litchfield Towers Garage (E-3)
- Allequippa Street (A-2)
- Veterans Lot (B-1)
- Panther Hollow (G-4)
