Parking Regulations

The regulations that govern parking at the University of Pittsburgh are summarized in this brochure and are contained in their entirety in the University’s Parking Ordinance. The purposes of the Ordinance are to provide orderly parking for University faculty, staff, and students; to protect pedestrians; and to ensure access to all buildings and parking areas for fire fighting and other emergency equipment and personnel.

Pitt’s parking regulations are in effect 24 hours a day, seven days a week, including holidays, except as specifically noted. These regulations have been formulated in accordance with the City of Pittsburgh’s and the Commonwealth of Pennsylvania’s Motor Vehicle Code, with input from the University’s Parking and Transportation Committee.

The Parking Enforcement personnel of the Department of Parking, Transportation and Services work to ensure access to all buildings and parking areas for fire fighting, emergency equipment, and other emergency equipment and personnel.

Driving Alternatives

Tired of fighting traffic? Would you rather spend your morning commute reading the newspaper than navigating the streets of Oakland? Consider some of these alternatives:

- Carpool matching services. The Pitt Ridesharing program offers a convenient, computerized match service free of charge to all commuting employees and students. Registered commuters are even eligible for permit parking discounts. Call 412-624-4034 or e-mail us at feedback@bc.pitt.edu for more information.
- Buses and shuttles. Both the University of Pittsburgh and the Port Authority of Allegheny County offer buses, and Pitt also operates shuttle services. Pitt faculty, staff, and students may ride all PTG buses for free when they present a valid University ID card. For Pitt shuttles and Port Authority routes and schedule information, visit www.pitt.edu/transportation/shuttles/index.htm.

- Bicycles. If you are using a bicycle to get around campus, be sure to register it through the RideSharing Office. The service is free and will help you identify your bicycle if it is lost or stolen, as well as help you sort out any complaints. You can also buy a lock at the RideSharing Office.

- Ride sharing. Call 412-624-4034 during Parking Services Office hours or campus police at 412-624-2121 at all other times.
