Student Parking at Pitt

WHERE TO START

Located at 127 N. Bellefield Ave., the Parking Services Office is your primary resource for all parking-related matters on campus. We can help with other transportation issues as well. The University of Pittsburgh is not responsible for any damage or loss of motor vehicles or personal property contained in any motor vehicle on campus.

Hours: Monday - Friday 8:00 am - 11:30 am and 12:30 pm - 4:00 pm

We extend our hours at the beginning of the fall and spring terms. Hours subject to change during the summer term.

PERMIT TYPES

Deciding what kind of permit you need is as easy as figuring out your enrollment status at Pitt. Purchasing a permit does not guarantee a parking place but allows you to park if space is available.

Resident students: If you are a full-time student living in a University residence hall operated through the Department of Housing Services, resident parking is available in the LT, PH, OC, and U parking facilities (subject to change). Available spaces are limited, so the Parking Services Office distributes these permits via a lottery system based on dorm assignment. Resident student permits follow the same academic terms as housing contracts or leases. Additionally, these permits are valid in nonrestricted University lots weekdays between 5 p.m. and midnight and on weekends, except during special events. See the parking facilities on the evening student list on the reverse page.

Commuter students: If you are a commuter student, your options include daytime parking permits, hourly parking, and daily parking. Daytime commuter parking permits are available for the CB, PH, OC, SC, SO, and TV lots (subject to change). As with the resident permits, availability is limited, and commuter permits are available by the academic term.

Evening students: You can purchase an evening student permit, which is valid weekdays from either 2:50 or 4:50 p.m. until midnight and all day on weekends, except during special events. See the parking facilities on the evening student list on the reverse page.

Special events: During athletic or other special events, Lots E, F, OC, SC, SO, and TV are used for event parking; therefore, these lots may not be available for permit or hourly rate parking. The Parking Services Office makes every effort to notify its customers of special events affecting parking availability. If you are unsure about whether your lot is impacted, feel free to call us.

OTHER OPPORTUNITIES

Contact Information
Parking Services Office
127 N. Bellefield Avenue
Pittsburgh, PA 15260-4924
www.pts.pitt.edu/mobility
Phone: 412-624-4034
Fax: 412-648-2200
E-mail: parking@bc.pitt.edu

E-mail: parkappeals@bc.pitt.edu

Helpful Hint
Evening students: Don’t wait until the last minute to request your permit. The Parking Services Office can provide you with your permit well in advance of the first day of classes.

While you’re at the University of Pittsburgh, we can help you navigate the campus parking facilities. This guide serves as your road map for finding the parking plan that works best for you.

Parking Services
Hours of Operation
Monday – Friday
8:00 am – 11:30 am
and 12:30 pm - 4:00 pm

The University of Pittsburgh is an affirmative action, equal opportunity institution. Published in cooperation with the Department of University Communication Services.
HELPFUL HINT
Short-term parking is available at meters in the Sutherland Hall visitor lot and the RA, SQ, Log Cabin, BO, Y, and SN lots. Your permit is not valid at any meter—and don’t feed them beyond the maximum time your vehicle may be ticketed, towed, and/or booted.

WHAT’S THE PROCESS?
Resident students:
1. Submit a permit application online at
   www.pitt.edu/mobility/parking
2. Email the completed application
   and a copy of your vehicle registration
to Parking Services Office.
3. You will be notified via email if you are to
   receive a permit along with additional
   instructions regarding payment and pickup.

Commuter students: Based upon availability, you may purchase a permit online at PittParking.com, Visa, MasterCard, and Discover are accepted forms of payment.

Evening students: You may purchase a permit at any time during the year in person, by mail, or by calling the Parking Services Office.

Purchase in person—Simply bring a copy of your student ID, vehicle registration card and form of payment to the Parking Services Office, 127 N. Bellefield Avenue, Pittsburgh, PA 15260. We accept cash, check, Visa, MasterCard, Discover, and Pantry Funds in person.

Purchase by mail—Send a copy of your vehicle registration card and form of payment to the University of Pittsburgh. We accept check or credit cards—please do not send cash. For credit card mail orders, please include card type, number, expiration date, and signature.

Over the phone—Please call 412-624-4034 with your credit card number and a customer service representative will assist you. Your permit will be mailed to you. Please allow 10 days for delivery.

JUST DON’T DO IT
We do our best to ensure that you have a parking space when you need one. In order to accomplish this goal, we sometimes have to penalize those who don’t follow the rules. You are subject to penalty, including ticketing, booting, and/or towing, if you:
• Buy or borrow a permit from someone other than the Parking Services Office
• Use unauthorized University lots—please check the map at the right for details;
• Impede access or traffic;
• Park in violation of special event procedures;
• Fail to pay parking violations;
• Use an invalid permit or keycard;
• Display a permit that has been canceled, altered, defaced, or reported as missing (which also may result in a fine); or
• Use your permit at the wrong time;
• Repeat Offender;
• Forget to buy a pass for weekend visitors (so they don’t get a ticket).
